

# Your Courts

## Verse 1

I will enter Your courts  
With Your praise on my lips;  
I will enter Your courts  
With thanksgiving in my heart.

## Pre-Chorus

For You alone are worthy,  
Receiving all the glory.  
In Your presence I draw near.  
Let me not take for granted  
The grace You pour upon me,  
More than I surely deserve.

## Chorus

*I would rather dwell  
One day in Your courts than  
A thousand somewhere else.*

*I would rather dwell  
One day in Your courts than  
A thousand somewhere else.*

**Verse 2**

I will bow at Your throne  
In the presence of my God;  
I will bow at Your throne,  
Humbled by the love You show.

**Pre-Chorus**

For You alone are worthy,  
Receiving all the glory.  
In Your presence I draw near.  
Let me not take for granted  
The grace You pour upon me,  
More than I surely deserve.

**Chorus**

*I would rather dwell  
One day in Your courts than  
A thousand somewhere else.*

*I would rather dwell  
One day in Your courts than  
A thousand somewhere else.*

**Bridge**

One day in Your courts,  
One day in Your courts Lord,  
One day in Your courts  
Is better than a thousand somewhere else.

One day in Your courts,  
One day in Your courts Lord,  
One day in Your courts  
Is better than a thousand somewhere else.

**Chorus**

*I would rather dwell  
One day in Your courts than  
A thousand somewhere else.*

*I would rather dwell  
One day in Your courts than  
A thousand somewhere else.*
