

Your Presence

Verse

None can compare
With Your beauty Lord;
You are without equal.
My soul's resting place
Is in Your presence Lord;
In You I am found.

Pre-Chorus

You shower us with blessing Lord,
Soak us with Your love,
Pour goodness down in floods of kindness
And drench us from above.

Chorus

*How I love to be in Your presence my Lord,
How I love to stand before You, my King.
How I love to feel the warmth of Your embrace
In the shadow of Your wing,
For there's boundless love in Your presence O God,
Immeasurable grace in Your arms;
Countless blessings You lavish on me
As I stand in Your presence O God.*

(Repeat from top)

CODA

Rain down, O rain down,

Soak us with Your love.

Rain down, O rain down,

Soak us with Your love.

Rain down, O rain down,

Soak us with Your love.

Rain down, O rain down,

Soak us with Your love.
